

## Prices and VAT

Prices and VAT are correct at the time of printing. If circumstances mean that you are VAT exempt or a registered charity you will need to complete a VAT exemption form prior to purchasing. To request a form please contact the Impey Showers head office.

## Placing an order

All orders must be confirmed by fax, post or email. If the order is received before 2:30pm Impey endeavour to deliver stock orders the next working day. A Saturday morning delivery is possible, but at an additional charge. Contact Customer Services for further details.

## Non stock / special orders

For non stock and special order items delivery time scales may be extended. Our sales team can confirm a delivery time when you place your order. Supply of special option doors is typically 3-5 working days. Please note that special order items are non-returnable.

## Payment

Accounts payable 30 days from date of invoice to approved customers. Cheques are to be made payable to Impey Showers Limited. Most credit and debit cards accepted.

## Carriage charges

Carriage is included on all orders over £150.00 excluding VAT. (UK mainland only).

## Deliveries

All orders are despatched using a fully insured carrier service. We can arrange delivery anywhere within the UK provided we are supplied with a full postal address and contact telephone number.

## Return policy

Every care should be taken when placing your order, but should your goods be deemed unsuitable, we will happily arrange a collection within 30 days of date of invoice, providing your goods are still packaged as new. A small fee may apply for this service and special order items are exempt from this policy.

## Product specification

Due to our policy of continual improvement we reserve the right to change product specification without notification.

## Terms and conditions

Please refer to our website for details of our full terms and conditions.

Impey Showers Limited guarantees its range of branded showering products against faulty materials or manufacture for a Lifetime, provided that they have been installed and maintained in accordance with the manufacturer's instructions.

The guarantee extends to non-electrical products in general use and excludes normal wear and tear. For products such as taps, shower valves, bathroom accessories, waterproofing and electrical products, the standard manufacturer's guarantee will apply. Where products included in the Lifetime guarantee are used for commercial use, such as hospitals, nursing homes or hotels, a 5 year guarantee will be applicable.

Parts that are defined as wearing parts, such as seals, seat pads etc, are subject to a 5 year guarantee.

If in our opinion the product has been modified, neglected, misused or is the subject of accidental damage the guarantee will not be applicable.

Impey Showers Limited has a policy of continuous improvement and therefore reserves the right to revise or amend the specification of any product without notice. In situations where a product has failed, subject to the terms of the guarantee, and a direct replacement is no longer available, Impey Showers Ltd will replace it with the nearest equivalent product.

The liability of Impey Showers Limited does not extend to consequential loss or damage arising from the defective product and is limited to the price of the original goods supplied by Impey Showers Limited.

The guarantee is in addition to your statutory rights.

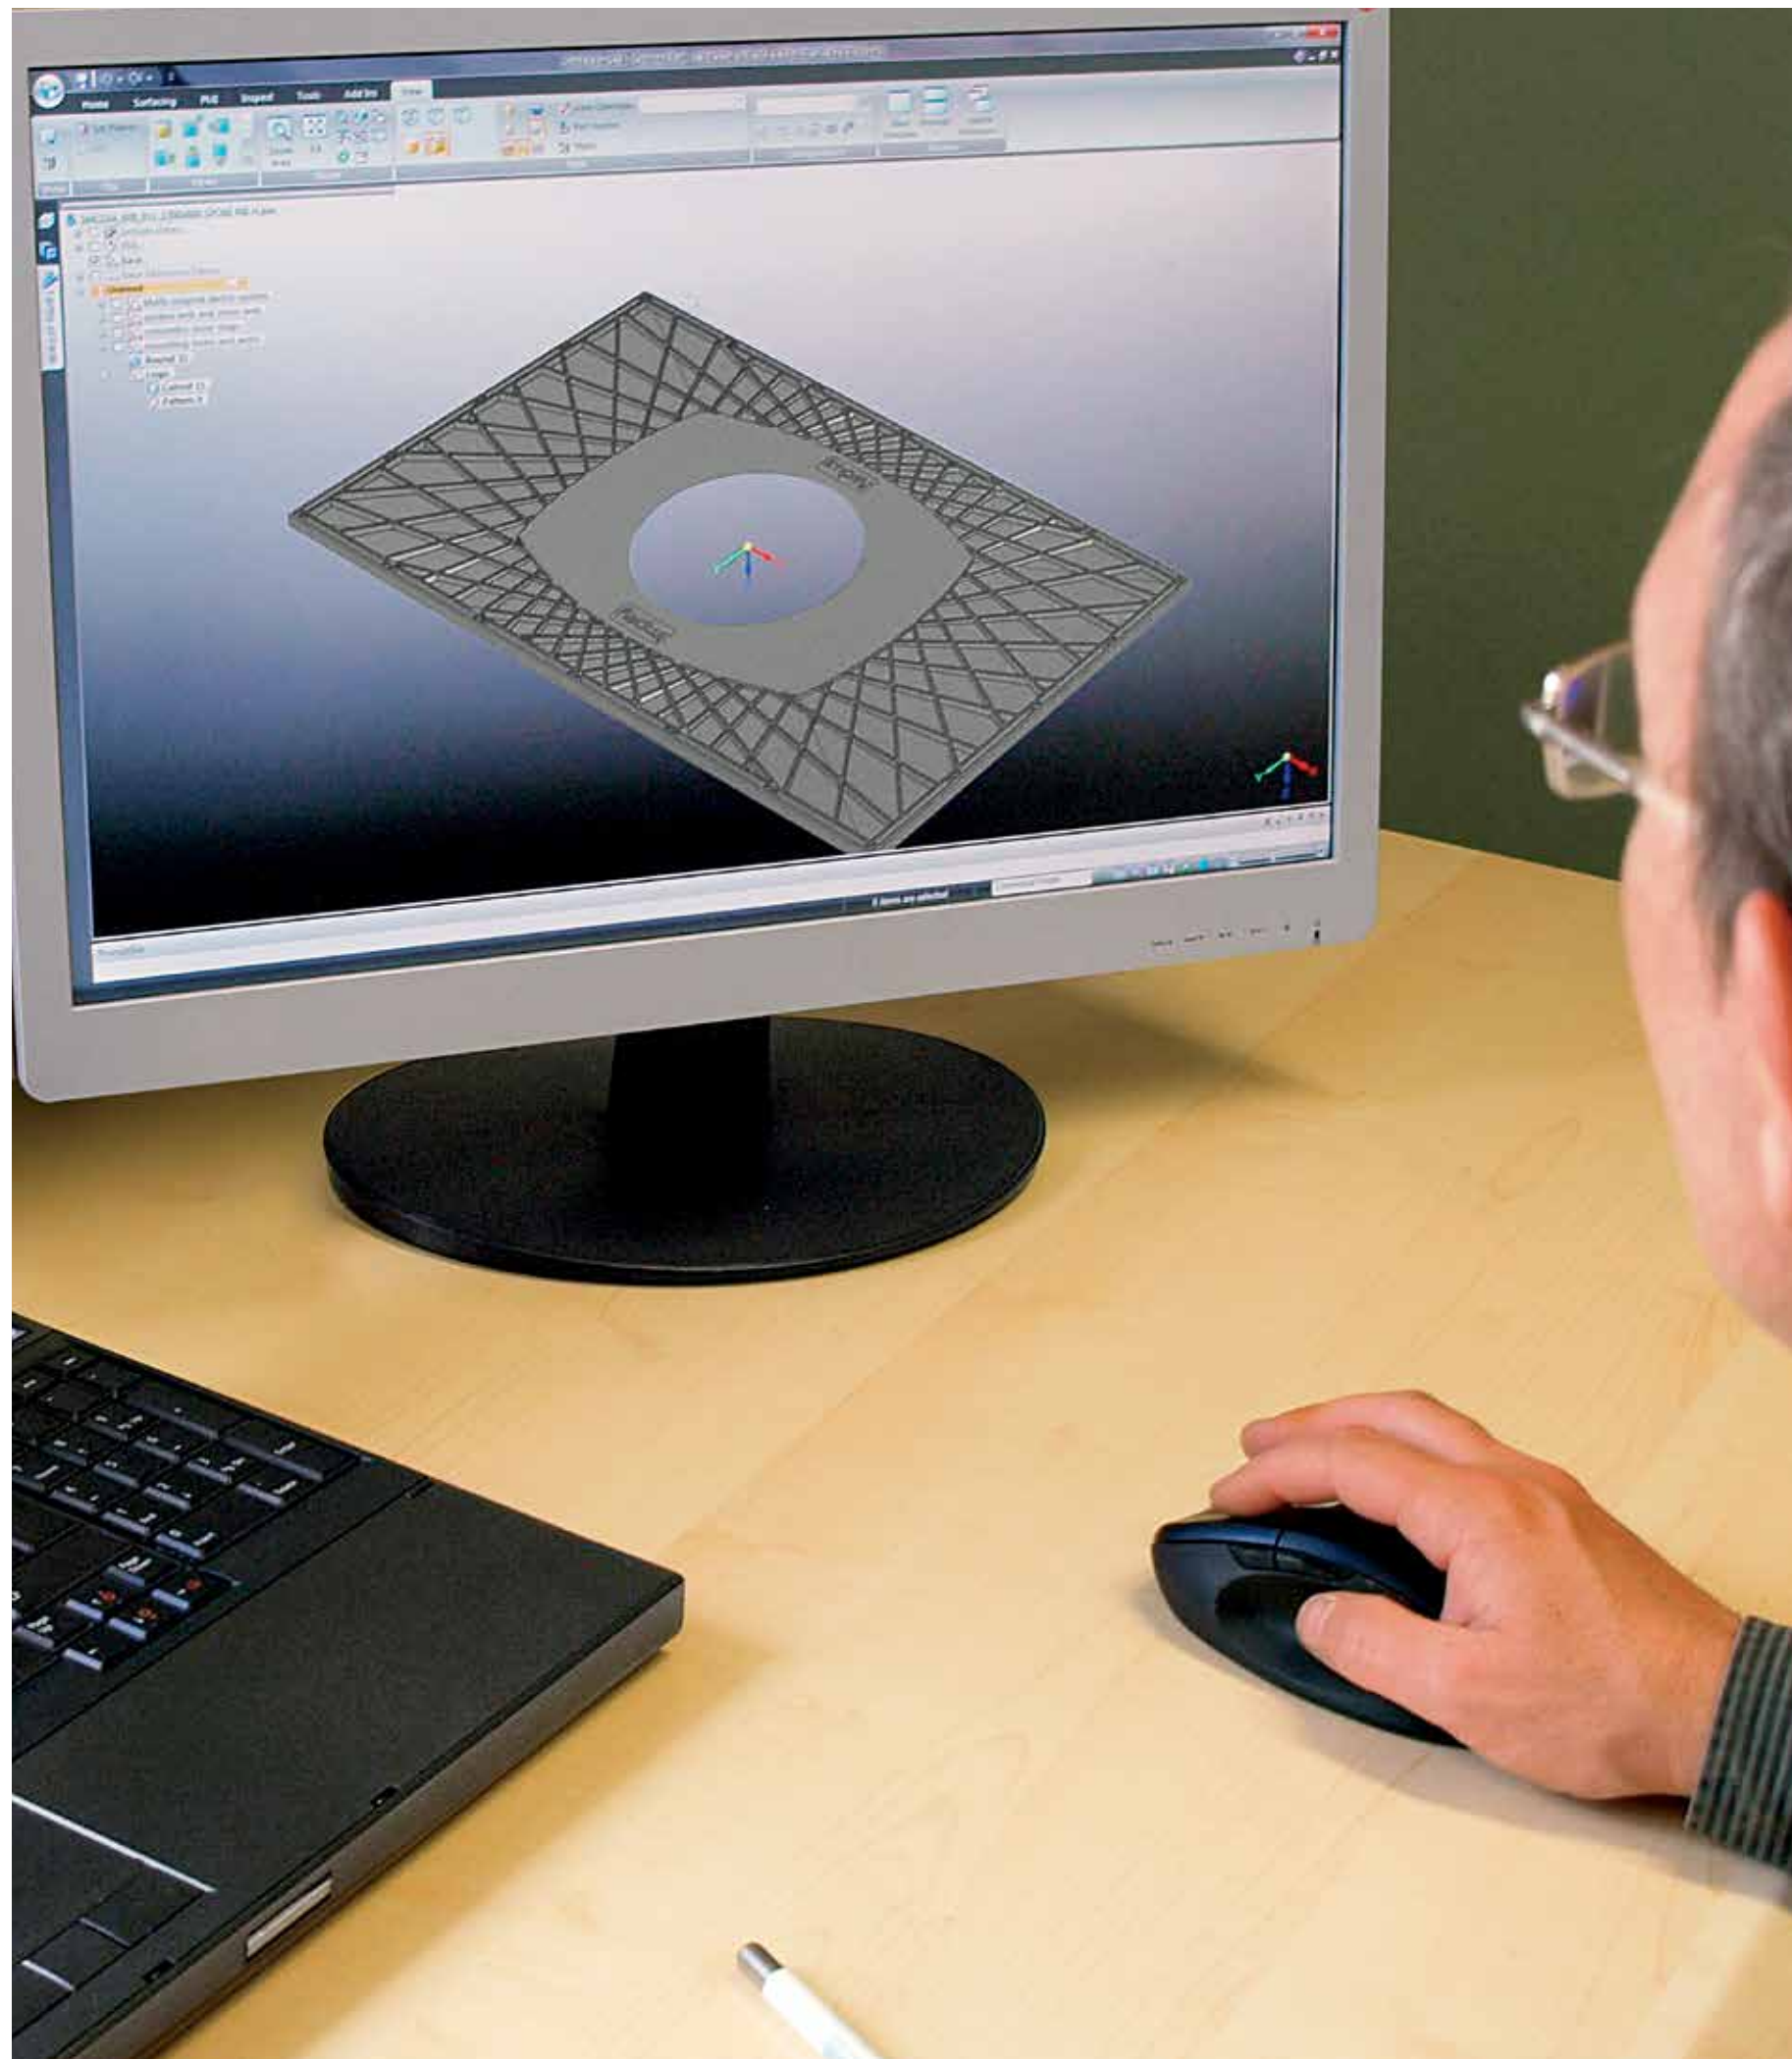

## NEW LEVEL-DEC EASYFIT

# The latest advance in wetroom floor formers

# impey

Impey pioneered wetroom floors with 'Level-Dec' - the first floor former with a built in gradient.

Innovation is our lifeblood and we have a dedicated product development team who continuously deliver the latest cutting edge solutions to maintain our position as the UK's leading wetroom specialists.

Our philosophy of always taking the lead has allowed us to create this exciting new generation of floor formers - Level-Dec EasyFit.

# THE BEST JUST GOT BETTER

The new Level-Dec EasyFit has a computer designed cellular structure, which is compression moulded from high glass content SMC to provide the strongest most rigid construction on the market.

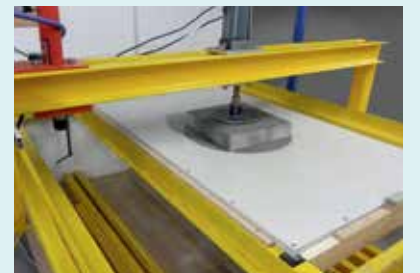

It requires no under boarding and will support over 300kg (47 stone) when secured directly to standard floor joists.

This advanced production technology also allows us to offer it at the same price as our current Level-Dec range.

- No under boarding required
- Tested to 300kg (47 stone)
- Lighter yet stronger
- Fully recyclable

Designed and manufactured in the UK

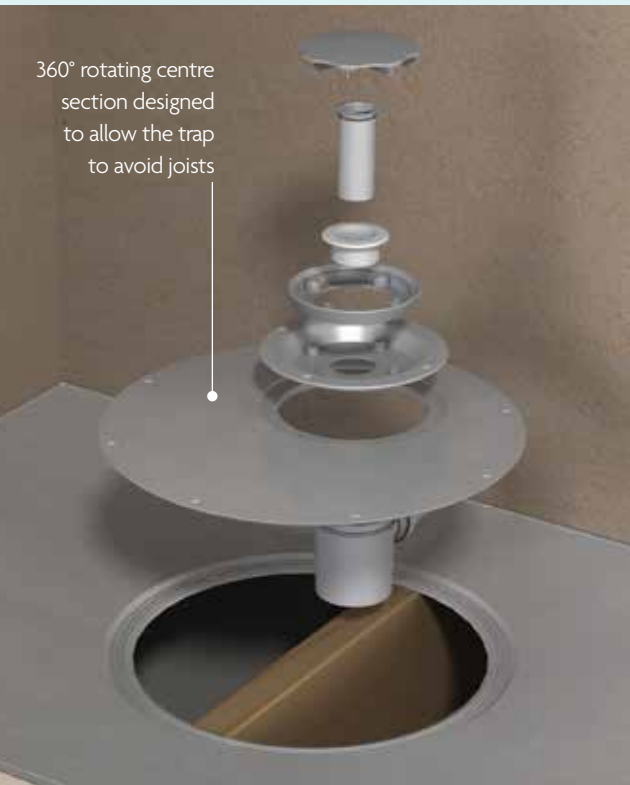

Tests have shown that this revolutionary new construction will support over 300kg (47 stone) without under boarding

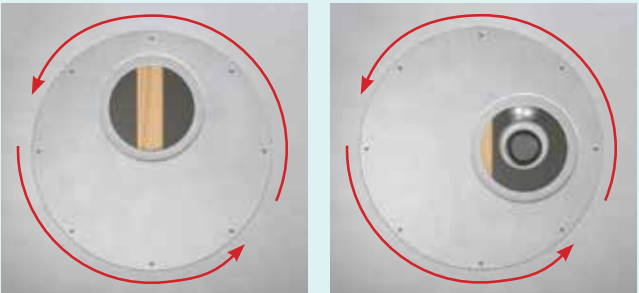

# Making installation even easier

The new Level-Dec EasyFit solves the potential installation problem of the drainage point being obstructed by joists within timber floors. A unique, patent protected\* drainage feature allows the installer to rotate the drain aperture to any position that will avoid the joist, or any other under floor obstruction.

\* Patent No. GB2431341

Simply place the new Level-Dec EasyFit where it will be installed and if the drain aperture interferes with a joist, just rotate the centre section until it is clear and fit the trap.

See how easy it is to fit with our new installation video at [www.easyfitwetrooms.com](http://www.easyfitwetrooms.com)

# Sizes to suit every application

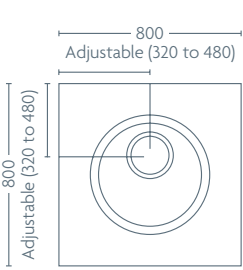

The new Level-Dec EasyFit comes in a range of eleven sizes from a compact 800mm square to the most spacious 1500 x 1200mm option.

# Failsafe quality and reliability

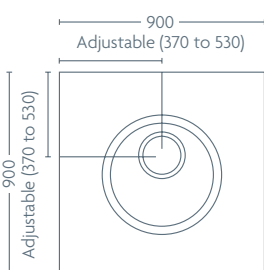

This quality and reliability is achieved by using only the best materials and rigorous construction methods and we are so confident in the long lasting performance of all Impey products that we offer a lifetime guarantee.
