Description

Featuring both design and functionality this MERLYN Frameless Bath Screen is the ultimate in space efficiency. With a sleek chrome towel rail and fitted internal shelves, this Bath Shower screen offers style and purpose to suit any modern bathroom. By means of a smooth pivot action, the 2 Panel Curved Bath Screen allows easy access to a relaxing in-bath showering experience.

Featuring **HydraSEAL**, a unique feature that acts as an extra barrier to reduce water from escaping from your bath and shower screen.

Specification:

Glass thickness 6mm
Height: 1500mm
Length: 1150mm
Door swing 90° in and out
Radius of screen swing = 733mm
HydraSeal barrier
Contemporary chrome towel rail
Fitted internal shelves
Screen is reversable
Bright chrome finish
Lifetime guarantee

Important product information:

- MERLYN Bath Screens are not designed to fit on baths with stepped fronts, roll top rims or integral soap dishes.
- Fitting of screen on baths which have raised head rests or shapes is not recommended.
- There must be no items causing obstruction with the seal and bath, as any of the above may cause leaks.
- When choosing your Bath Screen, please ensure that if your bath has bath handles, they do not interfere with the bath rim area where your screen will be placed.
- When choosing an in-swing or folding Bath Screen, please ensure your swing area is not interfering with any brassware or internal shower features. Similarly, when choosing an out-swing, please ensure the out-swing area is free from any obstructions.
- The **MERLYN MB7** 2 Panel Hinged Bath Screen is handed so please ensure you state whether you require a right or left handed configuration when ordering.
- It is recommended the shower head position is situated on the same wall to which the Bath Screen is fixed and in the centre of the shower area.

Cleaning:

It is important to clean your MERLYN Bath Screen after every use. Wipe down all the glass and metal parts with a soft cloth.

- Do not allow limescale to build up in hard water areas.
- Ensure that any residual water on the glass is removed after every use.
- Clean the glass regularly using soapy water.
- Do not use abrasive products on any surfaces.
