Description

Beautifully curved glass combined with an exceptionally smooth roller action makes this quadrant door the best in its class. Constructed from up to 10mm* toughened glass, this stunning enclosure offers strength and practicality which belies its beauty. The silky smooth roller action of the 10 Series Sliding Door allows this large glass door to open and close effortlessly. As a result the sliding action is in a class of its own and needs to be experienced to be believed.

With a choice of a round eyelet handle or circular filler plate handle, contemporary style lovers will also delight in the option of smoked black glass. With Mershield Stayclear protected glass as standard within the 10 Series range this door is "easy clean". All 10 Series shower enclosures have a Merlyn Lifetime Guarantee.

**Please note – Curved panels are 8mm glass.*

- Wetroom compatible
- CE Approved - Toughened 10mm thick glass
- European safety glass approved - EN14428 & EN12150

Mersheild Stayclear:

Mersheild Stayclear acts as a protective coating which when applied to glass, helps the glass to remain shiny and new without the need for tiresome cleaning.

When cleaned correctly it helps prevent the build up of limescale and soap deposits making the shower glass "Easy to Clean".

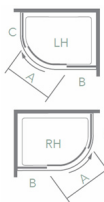

How it Works

Mersheild Stayclear coating creates a smooth layer over the surface of natural glass, lowering surface friction, making it easier for water, soap and lime deposits to run off the glass.
