Manufacturer [Merlyn](#)

Description

2000mm

For use with **Merlyn Series 10** - 10mm showerwall screens.

Easily trim to size.

Minimal flush / recessed to wall fixing for Showerwall screen.

[Installation Instructions](#)

Important Information:

Installing a Merlyn 10 Series shower screen with a recessed wall profile reduces the 'available' width of the screen: In the below **example** showing that for a 900mm Merlyn 10 Series screen, fitted with a recessed wall

profile, that the achievable adjustment is between **848 – 858mm**, with the actual screen size being **868mm**.
